Following an interment of ashes in the Garden of Remembrance, it is possible to mark the precise location of the resting place with a memorial tablet. We have samples in the Office at the Crematorium of all the finishes and you are most welcome to come and have a look and discuss your requirements.

For durability a Black Granite tablet with raised letters is recommended, The gilded and painted letters are likely to require restoration periodically.

The delivery and fixing of the tablet may be expected within eight weeks from the date the application is received in the office.

The charges shown include a fee for the right to keep the tablet in the Garden of Remembrance for a period of seventy five years.

Fees for Memorial Tablets – Valid until 31st March 2016, all charges are inclusive of VAT.
